

Who's Your Wingman?

Chicago Scene Magazine named **Wingman Promotions** one of Chicago's Top Three Promotional firms because they know how to bring the party. Wingman Promotions, having just celebrated its 6th year as an elite Chicago marketing, promotions and event planning company, is looking to add some members to our team for our fall and winter events!

Who's Your Wingman?

Wingman Promotions works with over 50 of Chicago's hottest restaurants, bars, clubs and hotels to ensure that your party is accommodated with an epic and memorable event. No party too small; definitely no party too big. Via high caliber events at premier Chicago locations, at no cost to our clientele, you are never without a wingman. Interested in working in the industry as a waitress, bartender or manager? Contact us today!

One of Wingman's greatest assets is our continued relationship with Chicago's most elite venues. Wingman is determined to provide our clients and guests the very best food, drink, music, and, above all else, service. Wingman Promotions is currently looking to hire event promoters, marketing interns, event coordinators, and advertising interns. This is an excellent opportunity to earn additional revenues for yourself or even college credit if you are one of the participating Illinois Universities that satisfies college credit. Essentially,

GET PAID TO PROMOTE, MARKET, HOST, OR EVEN CREATE YOUR OWN EVENT!

Wingman Promotions is committed to bringing you the highest quality events and nightlife activities. We host nightly deals with bars and clubs across the city. We also feature blow-out events with famous DJs, celebrities, and bands. See our upcoming events at www.wingmanpromos.com or Join our FaceBook campaign at facebook.com/wingmanenterprises and RSVP for FREE cover, VIP access, cocktail receptions, and other discounts!

If you think you have what it takes to be part of the Wingman team, then send us your resume at info@wingmanpromos.com or call 815.378.7376. Wingman is always looking to expand our team.
